JOIN US FOR SANOFI'S SATELLITE SYMPOSIUM AT THE EAN CONGRESS 2023

BIOMARKERS OF SMOLDERING NEUROINFLAMMATION IN THE CENTRAL NERVOUS SYSTEM

Veronica Popescu, MD, PhD (Chair)

Celia Oreja-Guevara, MD, PhD (Speaker)

Bart Van Wijmeersch, MD, PhD (Speaker)

1 JULY • 14:15

ROOM LISBON

Learn about the drivers of multiple sclerosis disability accumulation, the unique role of smoldering neuroinflammation, and the role of "big data" in central nervous system biomarkers of the future at our Satellite Symposium at the EAN Congress 2023.

Visit smolderingMS.com to learn more

General Information

ABSTRACT VOLUME
All accepted abstracts are published as a supplement to the *European Journal of Neurology* and are available at the Sanofi Booth (#G26) as QR code and on the Virtual Booth Profile of Sanofi.

BADGE
Please wear your badge during the whole conference and during all activities and social events.

EAN BOOTH
Learn everything about EAN and the benefits of being an active and valuable part of Europe's largest community of neurologists. Get all information on our different membership programmes, people behind EAN, the EAN Board as well as the EAN Head Office.

Whichever path you are on, deepen your expertise and collaborate across borders. Join us and become a member of our community today!

EAN MEMBERS' LOUNGE
EAN Resident and Research, Full, Corresponding Members, Fellows of EAN and Faculty Members have the possibility to network and enjoy their lunch in a separated Members' lounge, located beside the Exhibition Hall. Members' Lounge is open 08:00 – 18:00 from Saturday until Monday and 08:00 – 16:30 on Tuesday.

A professional photographer is available during opening hours to capture a portrait picture for your MEAN profile.

#PRINTER
Capture the moment with our #printer opposite to Room Berlin! You can take a photo on Instagram or Twitter, add our hashtag #ean2023, and collect a personalized souvenir print. Don't have social media? No problem! Go there, scan the QR code and send your photo directly to the printer. Create lasting memories and take home a piece of the experience.

SMARTPHONE & EARPHONES
Please bring your smartphone and your earphones with you to the Congress. Charging stations will be available and provided by industry partners. Please switch mobile phones to silent mode during sessions.

WIFI
Free WIFI will be available at the Congress Venue. Please be aware that public WIFI capacity is always limited and therefore limited to email and web browsing activities. WIFI Network: EAN2023_Wifi; WIFI password: EAN2023!

REGISTRATION & CLOAKROOM OPENING TIMES
We are here for you! Registration desk at the Congress Venue is open during:
Saturday Sunday and Monday: Tuesday:
07:30 – 20:00 07:30 – 19:00 07:00 – 16:30

Activities of Resident and Research Fellow Section (RRFS)

Saturday, 1 July

sat 01 July

13:00 - 14:00 – Hybrid format
National Representatives and RRFs Committee Representatives Meeting

15:00 - 15:30 – Scientific Theatre
General RRFs presentation

Sunday, 2 July

sun 02 July

09:00 - 10:00 – RRFs TV Studio Session
General Neurology vs. Specialization: Weighing the Pros and Cons

13:00 - 13:30 – Scientific Theatre
Survey on pain/dementia/neurosonology education

13:00 - 13:30 – "Coffee with you" – online
The art of science popularisation – tips for communicating with the media
Limited capacities! Visit the RRFs booth at the Congress for further information.

16:30 - 13:30 – RRFs Hospital Visit
The bus departs at 16:30 from the Hungexpo Budapest to take registered participants to two hospitals in the city. Come to the RRFs booth at the Congress for registration and further information.

Monday, 3 July

mon 03 July

13:00 - 14:00 – Scientific Theatre
RRFs in the pipeline: new surveys planned for the next year

16:45 - 17:15 – "Coffee with you" – onsite
The future of Neurology – how will we work in 30 years?
Limited capacities! Visit the RRFs booth at the Congress for further information.

17:15 - 18:15 – RRFs General Assembly – Hybrid format

Tuesday, 4 July

tue 04 July

12:30 - 13:00 – Scientific Theatre
Endovascular treatment - the education proposal from the RRFs
Full details of all the events can be found in the EAN congress programme
